Objective:

As a motivated freshman pursuing a Bachelor of Science in Computer Science at the University of the Cordilleras, I am eager to gain hands-on experience and contribute my passion for technology to a supportive team. My goal is to secure an internship or entry-level position in software development, where I can apply my academic knowledge, enhance my programming skills, contribute to innovative projects, and continuously learn from industry professionals, all while developing strong analytical and problem-solving abilities to shape my future career in the field of computer science.

Education:

-Bachelor of Science in Computer Science

University of the Cordilleras, Baguio City, PH

Expected Graduation: 2026

Relevant Coursework:

- Introduction to Computer Programming
- Data Structures and Algorithms
- Computer Networks Fundamentals
- Web Development Basics

Skills:

- Basic understanding of programming languages (e.g., Python, Java, html)
- Familiarity with software development concepts
- Strong problem-solving skills
- Eagerness to learn and adapt to new technologies

Languages:

- Tagalog (Native)
- English (Fluent)
